Exempt Status (Check one)

Categorical Exemption (California Code of Regulations Sec. 15300 et seq.): Section 15303
– New Construction or Conversion of Small Structures and 15311 - Accessory Structures

Reasons why the project is exempt. The project involves the construction of Railroad Safety Fencing along the railroad tracks that parallel Front Street in the City of Rocklin, as further described above. Class 3 exemptions consist of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. The numbers of structures described in this section are the maximum allowable on any legal parcel. Examples of this exemption include, but are not limited to: (e) Accessory (appurtenant) structures including garages, carports, patios, swimming pools, and fences. Class 11 exemptions consist of construction or placement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities. The project as proposed is consistent with the exemption class descriptions noted above and is exempt pursuant to Classes 3 and 11 of the CEQA Guidelines.
