

RESOLUTION NO. 2019-

RESOLUTION OF THE CITY COUNCIL
OF THE CITY OF ROCKLIN APPROVING AND ADOPTING THE CITY OF ROCKLIN
INTELLIGENT TRANSPORTATION SYSTEM (ITS) MASTER PLAN

WHEREAS, The City of Rocklin’s 2018-2022 Capital Investment Plan, adopted by Resolution 2018-188, approved and identified funding for the first phase of the Traffic Signal ITS project, the ITS Master plan, phased backbone infrastructure (along Sunset Blvd) and a central traffic control system. Other corridors would be included in future phases.

WHEREAS, the ITS Master Plan builds upon the General Plan and Traffic Circulation Element by setting the vision, goals and objectives for traffic flow from an operational perspective; and

WHEREAS, the ITS Master Plan was prepared by Kimley Horn and completed on December 21, 2018, and has been reviewed by Public Services staff; and

WHEREAS, adopting the ITS Master Plan will allow staff to move forward with implementation of a central traffic control system; and

WHEREAS, The FY 18-19 budget includes \$1,334,000 for ITS Infrastructure and central traffic management system equipment and no budget appropriation is required; and

The City Council of the City of Rocklin does resolve as follows:

Section 1. The City Council of the City of Rocklin hereby approves and adopts the Intelligent Transportation System Master Plan as a planning document for the City’s traffic signal system.

Section 2. The FY 18-19 Budget includes \$1,334,000 for the ITS project as shown below and a budget appropriation is not required.
