WHEREAS, on March 11, 2021, the Board of Directors for the Western Placer Waste Management Authority adopted Resolution 21-03, establishing tipping fees for its facilities effective July 1, 2021, finding the fees reasonably correspond to the cost of providing services and the anticipated near-term capital and operating costs; and

WHEREAS, on May 11, 2020 the City Council approved Resolution 2010-71, a Resolution of Intent to Amend the Solid Waste Collection Service Rates and setting a public hearing for June 22, 2021; and

WHEREAS, Recology Auburn Placer provided written notice of the proposed rate increase and the date and time of the public hearing to its customers not less than 45 days prior to the public hearing, in compliance with California Constitution Article XIII D (Proposition 218); and

WHEREAS, the duly noticed public hearing for the proposed solid waste collection service rates was held before the City Council on June 22, 2021; and

WHEREAS, at the conclusion of the public hearing, the City Clerk tabulated the number of written protests received and reported that there was not a majority protest of the proposed solid waste collection service rates by owners or authorized representative of the identified and affected properties; and

WHEREAS, after the public testimony and staff's report and recommendations, the City Council has determined that the solid waste collection service rates are appropriate and lawful, and should be adopted.
