Re: Request of Tentative Map Extension for Croftwood Unit 2.

Dear Nathan,

I am writing you to request a two-year extension of the Tentative Map for Croftwood Unit 2, SD-2017-0002 and TRE-2017-0003. This request would extend the Tentative Map to November 2024. Tim Lewis Communities would ask that you please process this request and go to City Council for review.

Croftwood Unit 2, APN 045-053-015, has approved site development plans and the final map has been submitted and in second plan check.

The project has commenced grading operations and underground utility work is scheduled for August 2022 through November 2022 and street paving to be completed by end of December 2022.

A check for the fee amount of \$4,887 is enclosed.

Sincerely,

A handwritten signature in blue ink that reads "Joe Reed". The signature is fluid and cursive, with the first and last names clearly legible.
