WHEREAS, the City of Rocklin has entered into a franchise agreement with Recology Auburn Placer to provide solid waste collection services within the City of Rocklin; and

WHEREAS, Western Placer Waste Management Authority (WPWMA) is a regional agency that maintains a sanitary landfill and all related improvements, and WPWMA has approved an increase to their tipping fees effective January 1, 2023; and

WHEREAS, pursuant to the franchise agreement between the City and Recology Auburn Placer, Recology has requested a rate adjustment to the solid waste collection service rates charged to its customers within the City of Rocklin for the increase in tipping fees, and Recology has demonstrated the rate adjustment reasonably relates to the cost of providing the services; and

WHEREAS, on December 13, 2022, a duly noticed public hearing for the proposed increase to the solid waste collection service rates was held, with an opportunity for the public to protest the proposed increase in the rate amounts, and the Council having considered all written and oral protests thereof; and

WHEREAS, at the conclusion of the public hearing, the City Clerk tabulated the number of written protests received and reported that there was not a majority protest of the proposed solid waste collection service rates by owners or authorized representative of the identified and affected properties; and
