Each day that a violation continues after due notice has been served shall be deemed a separate offense. For the purposes of Chapters 1.08 and 1.14 of this code, the official or officials designated as the enforcing authority under each code adopted hereby, and/or the city manager, shall be the enforcing authority. The fire chief is hereby designated the enforcing authority for all standards promulgated by the office of the state fire marshal.

Section 3:

A. This Ordinance is enacted pursuant to and in compliance with Health and Safety Code Section 18941.5 and 17958.5 and as expressly permitted in Government Code Section 50022.2.

B. As required by Health and Safety Code 18941.5, 17958.5 and 17958.7, the City Council of the City of Rocklin expressly finds that the building standard amendments to Chapter 3, Section 307 of the Fire Code adopted by this ordinance relating to open burning is necessary for the protection of the public health, safety and welfare, due to the following local climatic and topographic conditions:

1. The existence of sloping terrain which increases fire suppression response time and therefore necessitates mitigation measures.

2. The unusually hot and arid climate during the summer months which increases fire incidence and therefore necessitates mitigation measures.

Section 4: Within fifteen days of passage of this ordinance, the City Clerk shall cause the full text of the ordinance, a summary of the ordinance, or an advertisement of the ordinance to be published in a newspaper of general circulation, with the names of those City Councilmembers voting for and against the ordinance, in accordance with Government Code section 36933 .

Section 5: The City Clerk is hereby directed to file a copy of this ordinance with the California Building Standards Commission.
